

**Proposed Weekend Programme: La Belluga, Segorbe**

**SATURDAY**

Saturday	Breaks	Discussion	Topic	Trips out
09:30 - 10:00		Discussion One	Self introductions and the weekend programme	
10:00 - 11:00		Discussion Two	Sea Pollution	
Sea Pollution: Is introduced with a newspaper article related to the problem of plastic waste pollution in the Mediterranean Sea and efforts to counteract this, followed by a short video.				
11:00 - 12:00		Discussion Three	Surrogacy in Spain	
Surrogacy: There is much debate in Spain at the moment on this subject. We will introduce the topic with a newspaper article and a short video. Debate will then follow about positives and negatives of this 'product'.				
12:00 -12:15	Coffee		Social Chat	
12:15 -13:15		Discussion Four	Euthanasia/Dignified Death	
Euthanasia: Is introduced with a newspaper article related to the debate in Catalonia to decriminalize Euthanasia and a short video. The discussion will look at the polemic related to the topic and about the need for a 'dignified death'.				
13:15 - 14:30		Discussion Five	Oil: Local Production	Visit to Oil Museum
Oil Production: Visit to the the Oil Museum. After a guided tour in English related to the process of oil production, there will be opportunity to buy some of the local products made from olive in the museum shop.				
14:30 - 16:00	Lunch		Social Chat	
16:00 - 17:00		Discussion Six	Music	
Music: It is introduced by listening to clips of various styles of music. The intention is to motivate discussion in relation to: the participants own preferences and how various music styles make them feel. Those who can play an instrument will be encouraged to bring it with them to promote further debate.
